

There are only 2 crew points on this ride. Please don't attempt to crew anywhere else. The roads are too narrow. There is no rush to get to either of them!

Directions from venue to crew point 1: Turn LEFT out of venue (double gates). Beware of horses for 1st mile. Carry straight on up the road, ignoring small crossroads. After about a mile and a half, following a very steep downhill, you will come to a T-junction. Turn RIGHT. Follow this road for about 2 miles. Eventually you will come to Check point 1 and the crew point is in the same place. There is limited parking by the forestry on RH side just past CP1.

For crew point 2, go back to the venue (beware of horses in last mile before venue) and follow directions from there.

Directions to crew point 2; Turn RIGHT out of double gates. (beware of horses as you go out of gate, as this is the finish for them). Go all the way down hill. On coming to a grass triangle, bear RIGHT. Follow road until small x-roads. Here go RIGHT, down hill along a wider road. At the T-junction at the bottom, go RIGHT. Further along this lane, beware of horses on the road. Follow road until you see Michaelchurch School on the left. This is CP3, crewpoint 2 and there is ample room for parking.

NB These lanes are extremely narrow. There is plenty of time to get to both crew points. One is fairly near the beginning of the ride, the other is towards the end. Please take care and keep your speed down! "
